This is an even count peyote design. Once you have finished row 44 you will need to zip the piece together to form a tube.

Once you have the tube, unscrew the pen (rubber base will come away from the top of the pen), slide the tube over the top section of the pen and then screw the base back on.

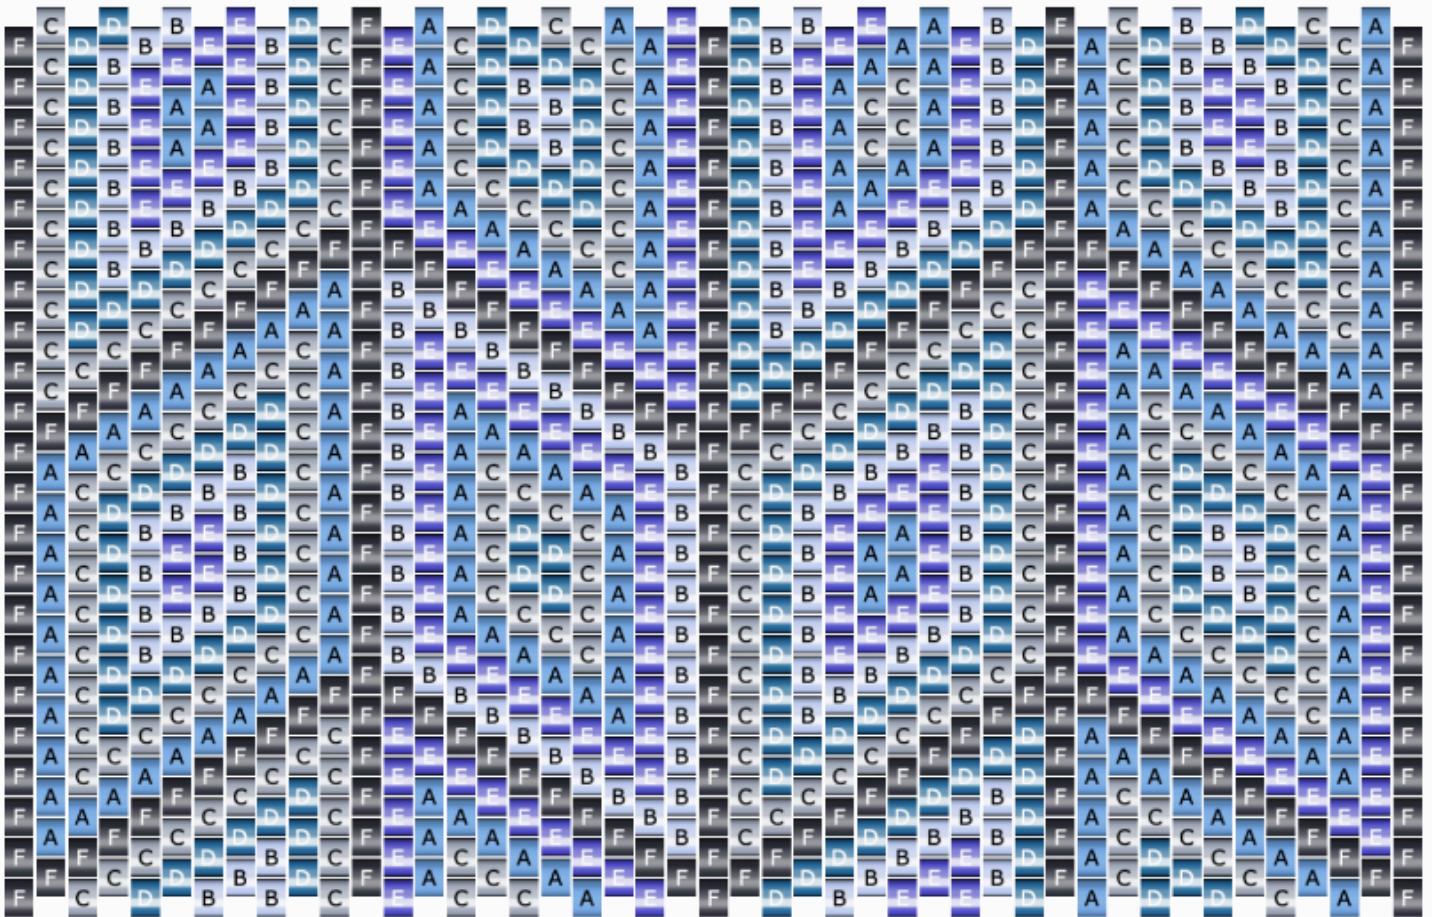

Stitches Used

Peyote - an off-loom beading technique, it can be worked with either an even or odd number of beads per row.
